Elective			ACT Prep S1 and S2	

**Elective Focus Statement:** Elective Focus courses will be added to the 4 Year Plan once students have been assigned to an elective focus pathway during their 10<sup>th</sup> grade registration.

**Special Notes:**

Economics and US Government are typically paired together, as only .5 credits are required for each course with Economics in the Fall and US Government in the Spring.

\*Students may only enroll in these courses as freshmen if they have completed the prerequisite course.

AP = Advanced Placement options are available through the AP Access for All Program (APAA), offering advanced courses for grades 9 – 12 per school approval and prerequisites met (required test at the end of the course for college credit and Quality Points). Limited seat availability.
